

WITH KIND PERMISSION OF THE AUTHOR,  
WE PRESENT:

# THE BEST CHRISTMAS PRESENT IN THE WORLD

**SATURDAY DEC 22ND 7PM**

(INC. LIGHT REFRESHMENTS)

**ST. LUKE'S PARISH CHURCH, HICKLING**

Based on a wonderful book written by Michael Morpurgo about the football match played on Christmas Day in the trenches - our play centres on a letter which is found in an old desk and goes backwards and forwards in time and through the generations.

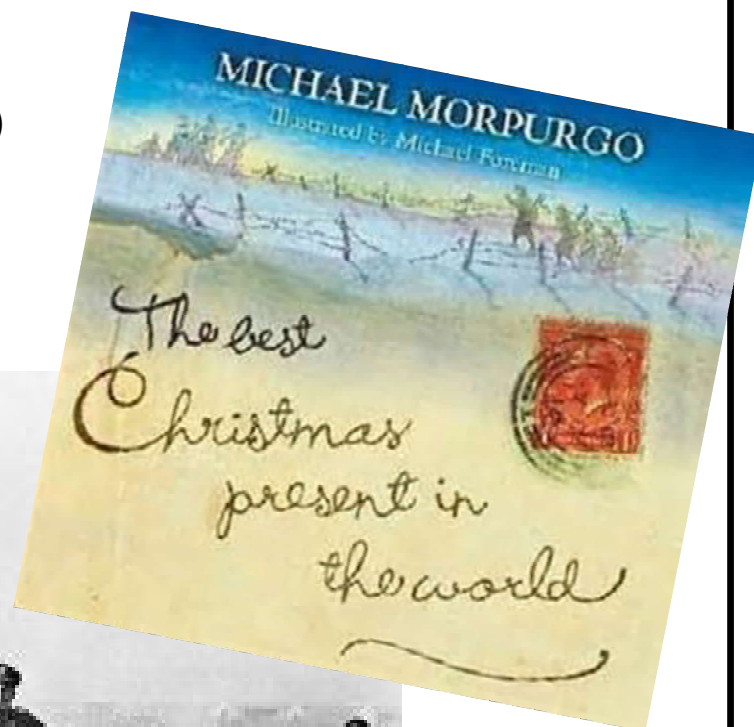

First performed in 2014 at the start of the WWI 100 year commemorations we are performing again to mark the close. Symbolically, four years later, some of our younger actors will be taking on some of the adult roles this time.
